

With the retirement of A/Prof. Ossie Petrucco, Repromed would like to introduce:

Dr. Kelton Tremellen MBBS(Hons) PhD FRANZCOG CREI

Dr. Tremellen is a certified sub-specialist in Reproductive Endocrinology & infertility. He is the Deputy Medical Director at Repromed. His clinical interests include male infertility and recurrent miscarriage.

Dr. Tremellen will be consulting in Port Augusta and Whyalla.

Dr. Bruno Radesic MD FRANZCOG

Dr Bruno Radesic is a Fellow of the Royal Australian and New Zealand College of Obstetricians and Gynaecologists. He has been working in public and private practice for the past two years.

Bruno's main clinical interests are female and male infertility, early pregnancy complications and general gynaecology.

Dr. Radesic will be consulting in Port Lincoln.

Consulting in Port Lincoln and Whyalla will occur on a monthly basis.

Referrals may be directed to Dr. Radesic or Dr. Tremellen.

Whyalla: Whyalla Hospital & Health Services Inc.
20 Wood Terrace, Whyalla

Port Lincoln: Port Lincoln Hospital,
