

Listed below are your payment options

Option 1: Pay balance of the '**Gaps**' on the day of egg collection

Electing this option would mean that Medicare will be unable to refund your Safety Net (EMSN) reimbursement for 4 to 6 weeks.

Option 2: Pay '**Repromed**' fee on the day of egg collection

Electing this option would mean by paying the full Repromed fee on day of Egg Collection, billing to Medicare is done electronically on the day of your Embryo Transfer, approximately four days later.

Providing your bank details are registered with Medicare, the Medicare rebate amount and the Safety Net (EMSN) amount will be deposited directly into your bank account within 2 to 3 days after treatment is complete.

Option 3: Repromed recognises that individuals have differing financial circumstances and we will be pleased to discuss an individualised payment schedule with you. Please contact our Fees Help Desk if you wish to access this option.

Please note with this option you will not be able to claim any of the Safety Net (EMSN) amount until the account is finalised.
